Gold status

Continuously upgrading with Skate Canada to provide the best experience for skaters.
18 years experience

Many years as coaches' rep, carnival coordinator, CanSkate coordinator in various skating clubs.

Philosophy:

I love to work with skaters just beginning the journey to testing and competing. I like to have fun while fostering a love for the sport. Dedication, determination and excitement are things that I can bring to the ice.

I want to work with the skater to create a plan for the year and then strive to achieve it!
